

LORD OF THE FLIES: CHAPTER 2 STUDY GUIDE:

RESPOND IN COMPLETE SENTENCES.

1. What do the boys need an army for?
2. Ralph and Jack have both been established as leaders (Jack being a self-declared leader). How do they differ as leaders? *Provide quotes for support.*
3. What does the small boy describe that scares him and the other young boys? Do you think he is imagining this?
4. How do Piggy's glasses end up being important?
5. What frustrates Piggy about how the group of boys operates?
6. What did Ralph and Piggy find problematic about the fire the boys created?

**Journal:** Using complete sentences, respond to one of the prompts in a paragraph:

1. By the end of the chapter, the group of boys have slowly transformed, taking the rough shape of a society. What different elements of society have they established? *Provides quotes for support.*
2. Based on the information you know now, how do you think the story is going to progress? What is going to happen to the boys (natural elements or because of their own actions)?

Figurative language:

As you read the chapter, record any examples of figurative language that you can find below:

**NOTE:** Be sure to label the type of Figurative language for each entry.
