

Chapter 6 Study Guide:

1. What falls out of the sky and lands on the island? What might this suggest about the setting of the story? *Think time and context.*
2. What are the twins supposed to do at the fire each night?
3. What do Sam and Eric panic about?
4. When the twins return from the mountain to warn the others, Ralph is having a dream. Describe Ralph's dream. What information does this provide about Ralph?
5. Who is the first kid to start ignoring the conch?
6. As the group travels to find the beast, the author mentions, "Ralph dismissed Simon and returned to his personal hell." What does this statement mean? *Provide a quote for support.*
7. Describe the place where Ralph and Jack search for the beast.
8. Where are they rolling the rocks?
9. At the end of the chapter Jack expresses his frustration with the group's lack of concern for the fire. Do you think this is the only source of his frustration? *Explain.*

In addition to the questions above, record **three** questions or statements of your own using the prompts below: *These will aid in your discussion.*
